Unclear About Long-Term Care Insurance? You Have Lots of Company, Says LTC Agent Kim Beckham

Victoria, TX July 27, 2020 -- These days, there's an abundance of information about long-term care services and facilities; but knowledge of how to pay for it seems lacking. This knowledge gap was recently highlighted by The Motley Fool:

[*Nearly Half of Older Americans Need to Get Schooled on Long-Term Care Insurance*](#)

"I highly recommend this article," says Kim Beckham, an agent with ACSIA Partners LLC.

The article states: "An estimated 48% of Americans aged 55 to 64 are not familiar with long-term care insurance, according to the Center for a Secure Retirement® and Bankers Life. And that means these same people might lose out on a key opportunity to make an otherwise terrifying expense a lot more manageable."

Beckham is on a mission to help fill this knowledge gap.

As a certified long-term care insurance agent, Beckham advises on the full range of LTC planning options, which include:

- Traditional long-term care insurance through multiple carriers
- "Hybrid" policies (typically life insurance with long-term care riders)
- Worksite long-term care (portable individual voluntary plans with group advantages)
- Annuities with tax-advantaged long-term care features
- Critical illness insurance
- Additional protections including long-term care education and referrals to top care services

Beckham may be reached at <http://www.kimltc.com> or 361-484-0851.

Beckham is a licensed long-term care insurance agent who represents the company in AZ, KS, MI, MO, NE, OK, TX.

In California the company is known as xACSIA Partners Insurance Agency; in other states, as ACSIA Partners.
